COMPANY PROFILE

MD's Message:

Established in 2017, **BIG WORLD**, is a trade mark registered, corporate agriculture & consumer wellness company. With an Indian heritage & growing globally, We believe, a healthy lifestyle is not just about being active but also about feeling good from within. We approach health & wellness in a holistic manner. We nourish, nurture & energize millions of lives by offering a variety of innovative herbal products.

As the agriculture & wellness industry is growing in a tremendously, we have adopted Direct Marketing method to promote our food & wellness products. We are creating new employment opportunity for youths, retired persons, small entrepreneurs and those who are looking for a second income to keep their family financially free.

Mission:

Providing a "World Class" Natural & Affordable Wellness Products.

Vision:

To become one of the world's leading direct selling company by 2026.

BALASUBRAMANIAN P
Managing Director.
